**TAX MAP(S): 030 030 PARCEL #(S): 010.00 (p/o) 010.06 (p/o)**

**REASON FOR REQUEST: This zoning request has several components and constitutes our final plan for the subject property.**

**We have further refined our overall plan for Tailwater Meadows based on topography, building footprint analysis, and our acquisition of one additional parcel of land that currently has a mobile home on it. We have added a small (36 home) owner-occupied townhome component on the newly purchased tract. This will give us three housing types in the neighborhood, creating a wider range of affordability and better respond to the housing needs of military personnel and their families. There will be 28.97 acres of common area, predominantly located along Ringgold Creek. This will preserve the forest canopy and existing views for the homeowners and neighboring properties. There will also be community amenities such as playgrounds, pavilions and other features.**

**We have also set aside an area of frontage along Ringgold Creek for a proposed extension of the Clarksville Greenway. This tract abuts a portion of the old Tennessee Central Railroad right of way that is owned by the City of Clarksville and would provide a singular walking experience for the community. There is room for a parking area at the proposed trailhead, which would be located inside the neighborhood. We have been in consultation with the Clarksville Parks and Recreation Department**

regarding the project.
